

Frequently Asked Questions

- **What topics does Rolfe speak on?**

With over 25 years of experience working with people, Rolfe has developed unique, effective keynotes and workshops that release individual and team potential, help boost employee engagement, and assist leaders in uniting their diverse workforce.

His topics include principled leadership, building unified teams, navigating the human side of change, generational harmony and personal excellence.

He is passionate, yet remarkably practical, as he presents time-tested principles for increasing employee engagement and building unified teams.

- **Does Rolfe pitch his products from the platform?**

No. Rolfe is very careful about using his time on the platform to hit the target that has been set for him. He is there to serve *you* and support *your* goals for the presentation. Books are available for pre-sell at a discounted rate if you would like your attendees to receive one. Learn more about Rolfe's products available for pre-sell.
